

Economics | 2013-2014 Assessment Plan

1. Which outcome will you assess?

Students will be able to state, use, and interpret the core models of economic theory, i.e. macro and microeconomic theory and the history of development of economic theory.

2. Which technique will you use to assess this outcome?

Embedded assessment of the use and interpretation of core models of economic theory.

3. Which course or group of students will you assess on the outcome chosen above and when?

Students enrolled in the required course for all economics majors: Intermediate Macroeconomic Theory (ECON 302). Assessment will be done for the Fall and Spring sections of the course.
