

History | 2013-2014 Assessment Plan

1. Which outcome will you assess?

Most likely, both LO 1 and 2:

- Students will be able to formulate an argument about the past.
- Students will be able to be able to communicate that argument orally and in written work.

2. Which technique will you use to assess this outcome?

Embedded assignments and course activities. Since the site of assessment (HIS 480 History Seminar) varies with the instructor from semester to semester, the individual assignments will be evaluated by the individual instructors and a report will be submitted to the chair.

3. Which course or group of students will you assess on the outcome chosen above and when?

Students enrolled in HIS 480 History Seminar for Fall 2013 and Spring 2014.
