FERPA

The university may release student information to parents in the event of a health/safety emergency, violation of the law, or for IRS tax purposes.

Students may grant guest access to an "Authorized Party," in the Student Information System (SIS) where parents or others can view the student's financial account and make payments.

For complete FERPA information, visit uwgb.edu/ferpa

What is the difference between a college and a university?

The difference between a college and a university is that a college offers a collection of degrees in one specific area, while a university is a collection of colleges. When you go to a university you are going to be graduating from one of their colleges.

FREQUENTLY ASKED QUESTIONS

What do I need to do before the semester starts?

1. If you haven't already completed all To-Do items on your Wings Portal, please do so as soon as possible.
2. Review the New Student Checklist on Page 5 for next steps after GB Orientation.
3. Begin the habit of checking your UW-Green Bay email daily for important communication from the university and other items to complete throughout your college experience.

How can I find my UWGB username and password?

To log in to the UW-Green Bay technology systems, including email, SIS, the Wings Portal, Navigate, Canvas, and more, you must set up your student account using the username and password information found in your admissions letter.

Note: when accessing the Wings Portal, include the "@uwgb.edu" with your username. When logging into SIS or for housing, you will not include the "@uwgb.edu." If you need help resetting your password or cannot remember it, please contact the UW-Green Bay IT Service Desk at 920-465-2309.

What are helpful tips for a commuter student living off campus?

1. **Get Involved** - The Student Engagement Center serves as a vibrant hub that empowers students to actively participate and contribute to campus life. It provides a plethora of opportunities to get involved, from joining clubs and organizations to attending workshops and events.
2. **Find a few places that make you feel comfortable** - Spend the first couple weeks of the semester exploring campus to find where you like to study, eat, and have fun.
3. **Get connected to people in your classes** - Exchange numbers or social media with classmates to study and go to events together.
4. **Plan ahead** - Bring all you need to campus for the day, including class materials, computer (and charger), and food/snacks. Allow yourself more time than you think you need to travel to campus, find parking, and navigate bad weather.

When can I start joining clubs and organizations?

Start browsing all clubs, organizations, and Fraternity & Sorority Life at uwgb.presence.io/organizations and look forward to meeting student org leaders

at OrgSmorg on the Green Bay campus and throughout the year! It's never too late to join.

When do classes start?

Spring semester courses begin on Monday, January 22, 2024.

PHLASH TIP:

Mark your calendar and planner with all the "Important Dates" listed on Page 2 to keep track of what is coming up!

If I am living on campus, how do I get my mail?

Students who do not use the parking services can easily "opt out" through an option on their SIS account which removes the permit fee. Students at the Manitowoc, Marinette, and Sheboygan Campuses do not need a parking permit.

All students living on the Green Bay Campus must select a meal plan during the Housing check-in process. Green Bay Campus commuter students have the option to add a meal plan to your SIS account or purchase one at the University Ticketing & Information Center (UTIC). Students may request to change or cancel their meal plan within the first two weeks of each semester. Learn more about dining and meal plans at uwgb.edu/dining.
