Master of Athletic Training

Verification of Prospective Student Observation Hours

Students applying for admission to the UW-Green Bay Master of Athletic Training Program must complete a minimum of twenty-five (25) hours of clinical observation in athletic training. Please complete the top portion of this form and have it signed by your supervising athletic trainer. Prospective students need to submit observation verifications as part of their application materials to the ATCAS system.

Observational experiences may be completed in any setting employing an athletic trainer that is performing job duties consistent with the current BOC Role Delineation and Practice Analysis domains of athletic training. Please submit separate forms for each facility where observation hours are completed.
