## SCHOLARSHIP OPPORTUNITY

The Northeast Wisconsin International Business Program is focused on furthering its mission and focus on the importance of international trade and cross-cultural understanding for the continuing prosperity of Northeast Wisconsin. It will award one, \$2,000 scholarship to an area student pursuing an internationally oriented degree and certificate (business, economics or international studies) or accredited study abroad curriculum.

## WHO WE ARE

The Northeast Wisconsin International Business Program exists to promote development of international trade and investment throughout the region by providing the business community a broad and comprehensive range of programs, service and information to enable them to successfully enter, or to enhance, their position in the global marketplace.

The program offers assistance to small- to medium-size companies interested in expanding their business to international markets through a wide array of services including international market research (market/product viability analysis), commercial assistance services (export logistics) and networking opportunities.
