Scholarship Description

Little did Jim Wochinske or Katy Keidatz realize that a UWGB study abroad program to London would have such a lasting effect on their lives. The two met during a winter interim travel course in 1971 and a relationship soon developed. The couple married, raised three children, and distinguished themselves as successful business leaders in Green Bay. Jim and Kathy Wochinske are strong advocates for UWGB and support several students attending their Alma mater. This scholarship further enables UW-Green Bay students to engage in life-changing experiences through study abroad.
