

Data on Partnerships at UW- GREEN BAY

Institutional Research Directors:

*Please complete the form below, and return with attachments to David Blough, UW System Administration, Office of Policy Analysis and Research, 608-265-9796, dblough@uwsa.edu, by **Monday December 14, 2015**. Electronic versions are preferred.*

Questions? Please consult the FAQ beginning on p. 3 or contact David Blough.

1. Number of businesses or organizations hosting co-op or internship students

The number of businesses or other non-UW organizations that hosted UW co-op or internship students (undergrad, grad, or professional) during the 2014-15 academic year. In addition to the total number, please attach a list of the businesses and organizations if it is available.

Number: 247

Name of attached file(s), other notes: UWGB Partnership List 1

2. Number of organizations in service-learning, community-based research, or volunteer partnerships

The number of non-UW organizations at which UW students and/or staff volunteered, engaged in service-learning, or engaged in community-based research during the 2014-15 academic year. In addition to the total number, please attach a list of the organizations if it is available.

Number: 300

Name of attached file(s), other notes: UWGB Partnership List 2

3. Number of cultural or arts-related partnerships

The number of non-UW organizations that partnered with your institution in support of cultural or arts events during the 2014-15 academic year. In addition to the total number, please attach a list of the organizations if it is available.

Number: 126

Name of attached file(s), other notes: UWGB Partnership List 3

4. Number of businesses or organizations receiving business development assistance

The number of business or non-UW organizations that received business development assistance during the 2014-15 academic year. Please indicate if the total number includes businesses assisted through UW-Extension (such as the Small Business Development Center or Center for Technology Commercialization), and report the number so assisted, if possible. In addition to the numbers, please attach a list of the businesses or organizations if it is available.

Number: 475, including SBCD below

Number assisted through UW-Extension (if included in amount above): 400

Name of attached file(s), other notes: UWGB Partnership List 4

FYI: In addition to #4 above, UW System Administration is requesting information on licensing and technology transfer partnerships from WARF, WiSys, and the UW-Milwaukee Research Foundation.

5. Number of businesses or organizations hosting clinical, legal, or social work placements

The number of businesses or other non-UW organizations that hosted UW students (undergrad, grad, or professional) in clinical, legal, or social work placements during the 2014-15 academic year. In addition to the total number, please attach a list of the businesses and organizations if it is available.

Number: 241

Name of attached file(s), other notes: UWGB Partnership List 5

6. Number of schools hosting student teachers

The number of PK-12 schools that hosted UW student teachers or practicum participants during the 2014-15 academic year. In addition to the total number, please attach a list of the schools if it is available.

Number: 137

Name of attached file(s), other notes: UWGB Partnership List 6

[List 6 also includes schools participating in UW-Green Bay's Phuture Phoenix program and schools delivering College Credit in High School courses.]
