

Who We Are

About CK One

CK One is a location on campus (Rose Hall, Room 140) that associates three nonprofit student-led organizations, Campus Kitchen, Campus Cupboard, and Campus Closet.

These organizations work together to give back to the UWGB campus and Green Bay community while providing unique opportunities for students and community members to gain volunteer experience.

Campus Cupboard

Provides food assistance by donating basic food and personal and household hygiene products to UWGB students, faculty, and staff.

Campus Closet

Supplies a variety of lightly-used donated clothing attire and household items to UWGB students.
