ℹ️ There is pending regulatory change that will take effect on 19 January 2018. This module will be updated in January 2018 to reflect that change. Please visit the CITI Program's Resources page, from the CITI Program's homepage, to find Final Rule Materials covering the revisions to the Common Rule. The CITI Program's Final Rule Materials will be updated and new materials released throughout the year.

7. This is the bottom of the Students in Research Module. Click on the "Take the quiz for Students in Research" link to open the quiz.

Conclusion

The purpose of this module was to assist both students researchers and student subjects with the IRB process. It included information that students in undergraduate, masters, or doctoral degree programs may encounter as investigators and/or subjects.

The information contained in this module provided general guidance in protecting human subjects as set forth by U.S. federal regulations and institutional policies. Students are advised to contact their own Institution's IRB for any additional policies and procedures.

Original Release: June 2006
Last Updated: January 2017

Students in Research Quiz

Instructions: Please provide an answer for all questions. Each question is one point. Click on the Submit button to register your answers. After submitting your answers, the correct answer to each question and an explanation will be displayed. Navigational links to the next module will be provided.

All quiz questions count towards your score. You should answer all questions.

Question 1

9. At the bottom of your results page, you will want to click "View Post-Course Completion Options".

10. To print your certificate, click on "Access your Completion Records."

11. Your page should look like this. Click on the link under "Completion Certificates." This will pull up a PDF of your completion certificate. Save this document and submit as needed.
