**Estimate of International Student Expenses**  
**2009-2010**

The University of Wisconsin-Green Bay requires certification of adequate financial support from all students with non-immigrant visas. The following figures provide an estimate of the minimum expenses for an international student who will live and dine on campus for the 2009-2010 school year. All amounts are given in US dollars:

<i><b>EXPENSE</b></i>	<i><b>ACADEMIC YEAR</b></i>
Tuition and Fees (approximately)	\$14,500.00
Housing #	3,580.00
Meals	3,000.00
Books and Supplies	800.00
Incidentals (travel, clothing, etc.)	2000.00
Health and Accident Insurance++ <i>see below</i>	850.00

# The housing rate cited here is for a 4-student, 2-bedroom apartment-style of housing.

++ International students are required to purchase Health and Accident Insurance through the University or show proof of coverage while in the United States. If you are a prospective student athlete, you will also need to show funding for this amount or prove adequate insurance coverage while in the United States, even if you are offered a full athletic scholarship.

**You must indicate how you plan to meet your expenses for your studies at UW-Green Bay. Please complete and submit the Financial Support Statement on the opposite side of this form. You must attach an original bank statement(s) on official stationery or a certified true copy (in English, or accompanied by an official translation), indicating an exact amount of readily available funds to support the prospective student named on the reverse side of this form. A statement is required for each sponsor and/or yourself if you are self-supporting.**

Students holding F-1 or J-1 visas may be eligible to work part time on campus. Such work-study positions cannot be guaranteed, however, so applicants cannot depend on on-campus student employment as a source of financial support.

NOTE: All fees are subject to change without notice.
