- Evidence of maturity, ability and desire to complete an academic degree.
- Financial need.

- **Elizabeth Eleanor Wyngaard Scholarship** is offered to Interdisciplinary Studies Adult Degree Program students in memory of Betsy Wyngaard, a talented and loving young woman who re-chartered her academic course with the help of the Adult Degree Program. When heart failure ended her life suddenly at age 29, her family and friends designed the scholarships to assist adult students who are trying to achieve their life goals in the face of busy lives and financial obstacles.

Two scholarships will be awarded: One $1,000 scholarship for a student enrolled for at least 12 credits and one $500 scholarship for students enrolled for at least 6 credits for the 2010-11 academic year. A student may receive this scholarship two times during the period of eligibility.

- **Patricia L. Hoppe Scholarship** is offered to Interdisciplinary Studies Adult Degree Program students by the family and friends of Trish Hoppe. Trish was a vivacious and wonderful woman who was a student in the Adult Degree Program (formerly Extended Degree Program). Cancer took Trish's life before she could complete her degree. Before she passed away, she expressed her desire to help other adult students in the Adult Degree Program achieve their educational and career goals.

One $750 scholarship will be awarded to a student enrolled for at least 6 credits in the Adult Degree Program for Fall 2010 and one $750 scholarship will be awarded to a student enrolled for at least 6 credits in the Adult Degree Program for Spring 2011 (Please fill out a separate Spring 2011 application). A student may receive this scholarship two times during the period of eligibility.

- **Dr. Katharine Olski Scholarship** is offered to Interdisciplinary Studies Adult Degree Program students by the friends of Katharine Olski. Dr. Olski, the former Director of the Extended Degree Program, guided the program until her retirement in 1997.
