14. I am seeking to earn the following Bachelor's Degree:

- Bachelor of Arts (B.A.)** - Generally for new, transfer, or re-entry students who have not completed a college degree of any kind, OR have completed an Associate Degree that is designed to allow students to transfer to a baccalaureate degree-granting institution.
- Bachelor of Applied Studies (B.A.S.)** - For those students who have completed an **Applied Associate Degree** from a regionally-accredited technical, community, or junior college. An Applied Associate Degree is one that is focused on a specific trade or job and is not designed to allow students to transfer to a baccalaureate degree granting institution.
- Bachelor of Business Administration (B.B.A.)** - Designed for adult learners seeking a business degree. Please note that applicants with an earned Applied Associate Degree (as described above) would not receive the same credit transfer package offered with the Bachelor of Applied Studies degree.

Students pursuing this degree option complete only half of the credits required for the bachelor's degree, including UW-Green Bay's General Education requirements with an Area of Emphasis and have the option to continue on for the bachelor's degree.
