Applying to UWGB:
Due to enrollment limits established for UW-Green Bay, students are strongly encouraged to make early application. Apply online at: apply.wisconsin.edu. Applications for admission may be submitted beginning September 1 for the following summer or fall (August 1 for spring semester).

Applying to the Major:
There is no formal application process for this major or minor. Students majoring in English must complete an Interdisciplinary minor. See Undergraduate Catalog for more information.

Filing an academic plan for the major/minor:
All students are required to officially file the “Declaration of Degree Form” by the time 45 credits are earned. New transfer students entering UWGB with 45 or more credits (determined by number of credits awarded through credit evaluation) are required to file the plan during the first semester of enrollment at UWGB.
