STUDENTS can access the Student Information System (SIS) to:

- View financial account information.
- Make payments.
- Authorize up to 5 SIS Guest Access accounts to their financial information.
  - Guests will only have access to student financial account information and the “Make a Payment” functionality. **No other student information will be viewable.** If you have questions regarding what Guests will have access to, see the SIS Guest Access Tutorial.
  - Once in the SIS, click on “SIS Guest Access” in the left-hand navigation area to begin the authorization process.
  - A confirmation email of the Guest Username and password will be sent in separate emails to the student's campus email address. Students will be responsible for forwarding this information to their authorized guests.
  - SIS Guest access can be revoked and passwords can be reset by the student at any time.
