*Please bring as many items from the supply list as you can. If you are unable to get every item on the list, we will have some limited supplies available for campers to use during the camp week.*

You have several options for buying your supplies for camp.

#### Option 1:

For your convenience you can order all of your supplies from Tradewinds, a local art supply store. You can pay them in advance and all of your supplies will be delivered to camp for you by the time you arrive. Tradewinds has been working with us to get us great deals on our materials. They have copies of all of our supply lists, and they can modify the list anyway you want. For example, your class calls for a ruler, but you plan to bring your ruler from home. No problem, Tradewinds will customize your order and sell you only what you need. Give them a call at 920-432- 0270 or 1-800-449-0270. You can also email them at tradewinds@tds.net.

#### Option 2:

You can buy your supplies independently and bring them with you on the first day of camp.
