COMPUTING AND COPYRIGHT BEHAVIORAL AGREEMENT

DATE: _____ ID # _____

NAME (print): _____
Last First M.I.

I hereby acknowledge that I have engaged in activities that violate the Digital Millennium Copyright Act, knowingly or unknowingly, as well as University of Wisconsin System policy 17.09(10)(a) Misuse of Computing Resources and the Student Acceptable Use Policy for Technology and the Internet. I have completed the following in order that my access to the UWGB computing network will be restored:

I certify that:

- I have removed all file sharing programs on my electronic device or configured all file sharing programs to not allow sharing of files from this device.
- I have removed all files from my electronic device that were acquired unlawfully and in violation of copyright law.
- I have reviewed the UW-Green Bay Technology Acceptable Use policy and agree to abide by the policy.
- I have taken my electronic device to either the Housing IT Service Center or the campus IT Help Desk and they have reviewed my electronic device for offending programs or improper settings and assisted me in making the necessary corrections to prevent further violations from occurring. **Computing Staff Signature:** _____

Work Order Number: _____

I agree to the following:

- I will not commit further violations of copyright law or university computing policies while using the UW-Green Bay network resources.
- I will not install or configure any file sharing program that allows file sharing from my electronic device in the future.
- I understand that any further violations will result in extended termination of access to the campus network for a minimum of 30 calendar days, further disciplinary action, which may include suspension from the UW system and the possibility of civil or criminal prosecution by the copyright holder or the holder's agents.
