TB SKIN TESTING
2009-2010**

TB skin testing involves two parts:

1. The TB skin test must be given.
2. The TB skin test must be read 48-72 hours after it is given. (If a person forgets to have the TB skin test read it must be repeated.)

If you wish to have the TB skin test done at the UW-Green Bay Counseling and Health Center the following walk-in times are available. **If you use the times listed below you do not need an appointment.** If these walk in times do not work for you, you can make an individual appointment by calling the Counseling and Health Center at 465-2380. **The cost is \$10.00.**
