Purpose – Description of Items

This budget will supplement the failure of the previous chairman to submit an annual budget request for this school year. The first item, S&E, is an estimate given by John Landrum during a meeting with him. He believes and I agree that the $80 will be enough to cover our printing expenses including posters and fliers to advertise for events and meetings. The second item, promotional items, will be used to purchase items with the Ducks Unlimited Logo such as key-chains or flashlights, or small pieces of candy for booths set up in the Union or during the Spring 2015 Org Smorg Fair. The final requested item is two wooden duck houses which will be put up in Spring 2014 as a project for our org. A sign will also be placed on one of the Duck Houses to serve as an educational tool about waterfowl.
