### APPLICATION FOR GRADUATE ASSISTANTSHIP

A limited number of graduate assistantships are available annually on a competitive basis. The students who receive assistantships are normally expected to devote 20 hours a week to perform assigned duties. Recipients of assistantships must be fully matriculated, complete at least 6 graduate credits per semester and 15 graduate credits during the academic year, and maintain at least a 3.0 GPA. Failure to comply with the above conditions will result in the termination of the appointment.

Students who receive assistantships will typically be assigned to serve as a laboratory assistant, discussion leader, research assistant or administrative assistant. Position descriptions are available in the Office of Graduate Studies.

Your response to the following questions will aid us in determining how well your abilities, skills and interests match the available assistantships.

1. State the abilities, skills, or experiences you possess which would support your candidacy. (Examples: computer programming, statistical analysis, graphics, relevant courses, work or teaching experience).
2. Provide a one page or less statement of your research interests and experiences.
3. Please attach a writing sample, preferably an academic paper with instructor's evaluation.
4. Attach a resume, if available.

**APPLICATION DEADLINE:** March 1

Applications received after this date or at other times of the year will be considered for any unfilled assistantships funded from grant monies.
