APPLICATION FOR RESEARCH ASSISTANTSHIP

This Research Assistantship will be awarded on a competitive basis. The student who receives the assistantship will be expected to devote approximately 20 hours a week to perform assigned duties. Recipients of assistantships must be fully matriculated, complete at least 6 graduate credits per semester and 15 graduate credits during the academic year, and maintain at least a 3.0 GPA. Failure to comply with the above conditions will result in the termination of the appointment.

Your response to the following questions will aid us in determining how well your abilities, skills and interests match the available assistantships.
