## *African & African-American Dancers and Drummers*

The Nia Dancers and Drummers is a community/UW-Green Bay group created in 2002 by Mrs. Juliet Cole. We are dedicated to promoting an appreciation of diversity through the practice and performance of African-style dancing and drumming.

Practices are held at UW-Green Bay/Union Building on Mondays from 7 to 8 p.m.

For more information, please call 465-5094.

New members are welcome at any time.
