COFRIN LIBRARY
news for faculty

History Treasure Tour

Come experience Voices of the Past! Hear the stories of Wisconsin pioneers, immigrants, women, and soldiers in their own words. The evening will feature Reader’s Theater performances based upon original diaries and letters from the collections of the UWGB Archives. In addition to the readings, exhibits featuring documents, maps, and photographs will be on display. The free event will be held on May 14 from 5:00-8:00 pm in the UWGB Archives (CL 705). Light refreshments will be served.

Get Ahead before the End is Near

The end of the semester is fast approaching and if you checked out items from the library, these will most likely be due in the next month or two. Please return any unneeded items to the library book drops on the concourse level, second floor, or third floor. Most items for faculty and staff, excluding equipment, are due back at the end of May. Typically items won’t be eligible for renewals until the beginning of May. If you would like to renew these items, you can do so through your online library accounts or by contacting us at x2540.

Clicker Returns

If your class uses clickers, please help us in reminding students to return these to the Library. All clickers are due back on the last day of classes, May 8th. If your students need the clicker for finals, that’s okay, but please remind them that clickers must be returned by the last day of finals to avoid the $55 fine. They can return clickers to the clicker bookdrops with the orange signs on the second and third floors of the Library.

Staff Profile: Kayla Kasprzak

In each newsletter, we will profile library staff members. This month we’d like to highlight Kayla Kasprzak: Library Intern and Student Reference Assistant

When did you start at UWGB?
September 2011

College degree & subject area:
Humanistic Studies with a minor in History

Explain at little bit about what you do at Cofrin Library:
I’m a student manager so I help with reference questions, circulation, and equipment. I’m in the public services department and I love it! During my semester interning, I spent time in acquisitions, collections, reference, instruction, and ILL. I learned a little bit about each department by completing projects like weeding, creating a LibGuide, and helping answer student questions during instruction. This experience is going to help me in the future because it one, reaffirmed that being an academic librarian is what I truly want to do and two, gave me a head start on what to expect with school at UW-Milwaukee’s School of Information Studies and after graduation. Thank you to everyone in the library for a great semester!

Hobbies:
Reading, archery, hanging with friends, and sleeping

Top 5 Favorite Books:
-Anything by Philippa Gregory
-The Last Kingdom by Bernard Comwell
-A bride in the bargain by Deeanne Gist
-Angels and Demons by Dan Brown
-All of the Harry Potter series

Top 5 Favorite Movies:
Frozen (not ashamed to admit it!)
Burlesque
Name a favorite place that you have visited? / Where is somewhere you haven't been but would love to go to?
I loved the Alps in Switzerland and I'd love to go back in the mountains when it wasn't so cloudy like it was last time!

Describe yourself in three words.
Quirky, assertive, and sometimes funny

What is your first clear memory of visiting a library?
I was in elementary school and in the summer I would make my mom take me to the library at least once a week. I remember checking out at least 15 books at a time and reading all day. My mother would make me put my books away and go outside.

What do you like best about UWGB?
I love how much the faculty and staff seems to care about you and your success here at UWGB. I don't think it would be the same at other, larger universities.
