

**CITIZENSHIP RECORD SEARCH & COPY REQUEST (\$5 fee)**  
**University of Wisconsin-Green Bay Area Research Center**

These papers can contain helpful genealogy information such as: birthplace and birth date of the immigrant, date and port of entry in the United States, the name of the ship in which the immigrant traveled, or even the names of the immigrant's wife and children. Some papers contain very little information, while more recent papers may contain a lot of information. These records are referred to by a lot of different names: declarations, intentions, citizenship records, naturalizations, petitions, and immigrant papers. They all refer to the same set of records.
