NEW MEMBERS ONLY!

WELCOME! We are pleased that you are a member of LIR, and we encourage you to play an active role in achieving our goal of providing learning opportunities for retirees. Since we are peer-led, we invite you to volunteer as a course coordinator, present a course by sharing an area of expertise or interest, or serve on an LIR committee (Curriculum, *It's Happening*, Promotion, Finance, or Social), or work on one of the short term projects. **CIRCLE** above choices of interest. Someone from LIR will contact you personally to discuss possible ways for you to be more active in the organization.

Pre-retirement occupation/s _____

Particular interests _____

Skills, hobbies, expertise, noteworthy travels or experiences. _____

Become a partner in the LIR program....

In spring 2008, in response to inquiries from our members, we established a program for LIR participants and friends of UW-Green Bay to provide gifts to support the LIR program. Your gift may be designated to provide immediate financial assistance for LIR (purchases such as classroom materials or equipment, stipends for instructors, etc.) or to help us to build an endowment to support the program for many years to come (only the endowment's investment earnings are allowed to be spent for LIR operating costs). **Your contribution to either initiative is 100% tax deductible** — and you will be making an investment in LIR that will allow us to grow and become an even stronger program in the future. If you wish to contribute (no amount is too small), please complete the "Gift of Support" form you will find on the back page of this insert and send it along with your fall registration check. Thank you for your generosity!

LIR COURSE REGISTRATION FORM

Register by placing a check (✓) in front of the courses you wish to attend. Refer to the calendar in this catalog and circle or highlight courses you wish to attend. This will help to avoid registering for overlapping courses.
