Partner Evaluation Form

This form is intended to be confidential in that I won't share it with your partner. However, if someone consistently gets negative reviews from their partners (i.e., several different partners evaluate them as poorly prepared or disrespectful), I will speak to the individual about it (though I won't let them see the form). I will be keeping this form.

Your Name: _____

Your Partners Name: _____

1. How well prepared was he or she for the assignment?

Not at all
Prepared

Somewhat
