SCHOLARSHIP OPPORTUNITIES
in
NATURAL AND APPLIED SCIENCES

Application Deadline: Friday, December 5, 2014

Complete information and application forms available in the Natural and Applied Sciences Office in ES 317.
BRADFORD COOK MEMORIAL SCHOLARSHIP
One (1) Award: $400
Qualifications:
(1) Be a full-time undergraduate student at the University of Wisconsin-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Have Junior or Senior standing.
(3) Have a minimum grade point average of 3.0 (4.0 scale).
(4) Have a declared major in Environmental Science or Biology.

GANGA AND ELIZABETH NAIR SCHOLARSHIP
One Award: $550
Qualifications:
(1) Be a full-time undergraduate student at the University of Wisconsin-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Have Junior or Senior standing.
(3) Have a college level grade point average of 3.3 or better (4.0 scale) at the time of application.
(4) Have a declared major in a discipline within the Natural and Applied Sciences area.
(5) Preference given to students with a strong commitment to conservation and an interest in Plant and Forest Pathology and Mycology.

NANCY J. SELL MEMORIAL SCHOLARSHIP
Two (2) Awards: $950 each
Qualifications:
(1) Must be a full-time undergraduate student at the University of Wisconsin-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Have Sophomore, Junior or Senior standing by the end of the 2014 Fall Semester. (Sophomore standing means 24 or more credits have been completed.)
(3) Have a grade point average of 3.5 or better (4.0 scale) at the time of application and at the completion of the 2014 Fall Semester.
(4) Have declared a major in Pre-Engineering (ENGR or NWEP), a major or minor in Chemistry, or a minor in Physics.
(5) Have successfully completed a total of at least 18 credits from among the following list of courses by the end of the 2014 Fall Semester:
   CHEM 211/213, Principles of Chemistry I lecture/lab
   CHEM 212/214, Principles of Chemistry II lecture/lab
   PHYSICS 201, Principles of Physics I
   PHYSICS 202, Principles of Physics II
   MATH 202, Calculus and Analytic Geometry I
   MATH 203, Calculus and Analytic Geometry II

ENGINEERING SCHOLARSHIP-FIRST YEAR
Two (2) Awards: $950 each
Qualifications:
(1) Have declared a major in the University of Wisconsin-Green Bay Pre-Engineering Program (ENGR or NWEP).
(2) Have completed 12 credits in the Pre-Engineering Program by the end of the 2014 Fall Semester, including a mathematics course (MATH 104, 202 or 203) and a chemistry course (CHEM 211/213 or 212/214).
(3) Have a high school GPA of 3.5 or better (4.0 scale) – provide a photocopy of your high school transcript.
(4) Have a college GPA of 3.0 or better (4.0 scale) at the completion of the 2014 Fall semester.
(5) Have completed four years of mathematics and one year of chemistry or physics at the high school level.
(6) Be enrolled for a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester.

ENGINEERING SCHOLARSHIP-SECOND YEAR
Two (2) Awards: $1,100 each
Qualifications:
(1) Have declared a major in the University of Wisconsin-Green Bay Pre-Engineering Program (ENGR or NWEP).
(2) Have completed 30 credits in the Pre-Engineering Program by the end of the 2014 Fall Semester; including two courses in mathematics (MATH 104, 202 or 203), two courses in Chemistry (CHEM 211/213 and 212/214), and one course in engineering.
(3) Have a grade point average of 3.25 or better (4.0 scale) at the time of application and at the completion of the 2014 Fall Semester.
(4) Be enrolled for a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester.

MOOSE LODGE ROD & GUN CLUB SCHOLARSHIP
At Least One Award: $500
Qualifications:
(1) Must be a full-time undergraduate student at the University of Wisconsin-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Must be of Junior or Senior status at time of application.
(3) Must be enrolled in a program of study focused on water quality, soil conservation, or wildlife.
(4) Must have an earned grade point average at the University of Wisconsin-Green Bay of 2.5 on a 4.0 scale, if applying after completing at least one semester of courses at UW-Green Bay.
(5) Preference for a resident of Northeast Wisconsin.
BROWN COUNTY WASTE TRANSFORMATION TEAM SCHOLARSHIP
One Award: $1,350
Qualifications:
(1) Must be a full-time undergraduate student at UW-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Must be of at least Junior status at the time of application.
(3) Must have a cumulative undergraduate grade point average of 3.0 on a 4.0 scale (or its equivalent).
(4) Must have declared a major in Environmental Science, Engineering Technology, or other program within the Natural and Applied Sciences department, or must be pursuing the Pre-professional program in Engineering.
(5) Must be pursuing an EMBI certificate.
(6) Preference will be given to students who excel academically and show exceptional promise for pursuing a career related to agri-business, environmental sciences, and/or industrial/manufacturing environmental sustainability in the Brown County area/Northeast Wisconsin.
(7) Preference for a resident of Northeast Wisconsin.
(8) As a renewable scholarship, preference will be given to the prior year’s recipient. The recipient must continue to meet the aforementioned criteria to be eligible for renewal.

TODD AND JULIE BARTELS ANNUAL SCHOLARSHIP
One Award: $1,000
Qualifications:
(1) Must be enrolled as a full-time undergraduate student at the University of Wisconsin-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Must be pursuing a major in one of the following: Physics, Mathematics, Chemistry, or Biology.
(3) Must be of Junior or Senior standing.
(4) Preference will be given to students with a minimum cumulative undergraduate grade point average of 3.25 on a 4.0 scale.

SCIENCE AND MATHEMATICS SCHOLARSHIP
One Award: $500
Qualifications:
(1) Must be a full-time undergraduate student at UW-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Have a declared major in one of the Natural Sciences or Mathematics.
(3) Have a cumulative grade point average of 3.2 or better (4.0 scale).
(4) Have a science and mathematics grade point average of 3.2 or better (4.0 scale) in science and mathematics courses.
(5) Have accumulated a minimum of 60 credits (at the start of the Fall 2014 semester).
(6) Have accumulated a minimum of 30 credits in science and mathematics courses (at the start of the Fall 2014 semester).

MORGAN/MACALUSO FAMILY ENDOVED SCHOLARSHIP IN NATURAL SCIENCES
One Award: $500
Qualifications:
(1) Must be a full-time undergraduate student at UW-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Must be of at least junior status at the time of application.
(3) Must be majoring in one of the natural sciences, with preference given to botany, ecology, or field biology students.
(4) Must be recognized by the selection committee for academic excellence.
(5) Must have an internship, field station, or other proven field experience in initiatives tied to botany, field ecology, or closely related fields. Alternatively, at the discretion of the selection committee, the recipient may have evidence of acceptance by a professional individual or agency for such an experience before graduation.
(6) Must have a minimum grade point average of 3.0 on a 4.0 scale, or its equivalent.
(7) Preference will be given to students who have a proven record of volunteering for the betterment of mankind.

HERBERT FISK JOHNSON ENDOVED SCHOLARSHIP FOR EXCELLENCE
Two - Four Awards: $1,500 - $3,000 each
Qualifications:
(1) Recipients must have been a full-time undergraduate student at UW – Green Bay for at least two semesters and must have sophomore or junior standing (30-95 earned credits at time of application).
(2) Recipients must have a grade point average of 3.5 or higher.
(3) Recipients must provide a letter of endorsement from a faculty member familiar with their academic work.
(4) Priority consideration given to students who are involved in projects or studies carried out in cooperation with a community organization, business, or government agency.
(5) Recipients must continue their studies at UW – Green Bay for a minimum of one semester after receiving the scholarship.

SUSAN FINCO AND ED KRALOVEC ENDOVED SCHOLARSHIP
One (1) Award: $500
Qualifications:
(1) Must be enrolled as a full-time undergraduate student at UW – Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Must be pursuing an Engineering Technology degree. This year only (2014-2015), Susan Finco and Ed Kralovec will consider applications from students in all NAS majors, not just Engineering Technology degree seekers.
(3) Preference will be given to students who have transferred to UW – Green Bay from Northeast Wisconsin Technical College.
(4) As a renewable scholarship, the award will be given to the previous year’s recipient as long as he or she maintains a minimum cumulative grade point average of 2.5 on a 4.0 scale. No student shall receive this scholarship for more than four years.
LEE AND KATHY ANDERSON ENDOWED SCHOLARSHIP FOR ENGINEERING TECHNOLOGY
One Award: $1,000
Qualifications:
(1) Must be enrolled as a full-time undergraduate student at the University of Wisconsin-Green Bay (a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Must be pursuing a degree in Engineering Technology, with preference given to students majoring in Mechanical Engineering Technology. This year only (2014-2015), Lee and Kathy Anderson will consider applications from students in all NAS majors, not just Engineering Technology degree seekers.
(3) As a renewable scholarship, the award will be given to the previous year’s recipient as long as he or she maintains a minimum cumulative grade point average of 3.0 on a 4.0 scale. No student shall receive this scholarship for more than four years.

FAITH TECHNOLOGIES, INC. ANNUAL SCHOLARSHIP FOR ENGINEERING TECHNOLOGY
One (1) Award: $1,000
To qualify a student must:
(1) Be enrolled as a full-time undergraduate student at UW-Green Bay (enrolled for a minimum of 12 credits in both the 2014 Fall Semester and the 2015 Spring Semester).
(2) Be pursuing a degree in Engineering Technology.
(3) Preference will be given to students with a minimum cumulative undergraduate grade point average of 3.0 on a 4.0 scale.

NOTE: Students selected to receive a scholarship are expected to:

1) attend an informal scholarship reception on Friday, January 30, 2015 at 2:00 p.m. (exceptions will be made in the event of a conflict due to a class/lab or student teaching)

2) send a note of thanks to the individual or organization that sponsors their scholarship (University Advancement will assist you with this step)

To apply for any of the scholarships listed above, submit the following materials via email attachment to Prof. Steve Meyer (meyers@uwgb.edu) by 5:00 p.m. on Friday, December 5, 2014:
1) A completed application form.
2) An application cover letter. This cover letter gives you the opportunity to tell us all about the wonderful things you have accomplished thus far. A good cover letter will describe your:
   • academic/career goals and interests
   • involvement in on-campus clubs and activities (including any leadership responsibilities you have had in these clubs)
   • involvement in any research projects, particularly those with UWGB faculty members (including any research that has been presented at scientific meetings)
   • community service projects in which you have been involved
   • awards, scholarships, and/or recognition for previous achievements
3) A copy of UW-Green Bay transcript (an unofficial copy is acceptable, copy and paste in a Word document or create a PDF).
4) Arrange for a letter of recommendation from a UW-Green Bay faculty member to be sent via email to Prof. Steve Meyer (one letter is sufficient, separate letters for each NAS scholarship you have applied for are not necessary).
