2. If you still need an instrument, see the Band Librarian (2<sup>nd</sup> floor – the Band Library).
3. Find your section in the band and have a seat.
4. Ask the other members in your section for contact info (email address, phone, etc.).

## Pep Band for Credit (optional)

You may enroll in Phoenix Pep Band for credit during Fall semester. Credit will be awarded based on attendance, punctuality, and observance of Phoenix Pep Band Policies. The course lasts the full year.

Remember: enrolling for credit is totally optional; it is not required to be a member.

\*Important: MUS APP 183/383 "Phoenix Band" does not fulfill any Fine Arts General Education requirement.

*MUS APP 183/383 ("Phoenix Band") Grade: Pass/Fail Offered: Fall semester Course Length: Sept.-May*

1 Credit = 10 games, 6 rehearsals attended\*

2 Credits = 20 games, 6 rehearsals attended\*

\*a missed rehearsal may be made up by attending an additional game/event

## Expectations

The Phoenix Pep Band strives to enhance and energize the atmosphere at games while having genuine fun. We strive for quality performances while supporting all members of the ensemble. Please do your part to help make this a positive experience for everyone involved. All band members are expected to exhibit proper conduct at all times. Failure to do so will result in removal from the game/event or expulsion from the Phoenix Pep Band.

All members are responsible for helping with set up and moving of band equipment. Band members are responsible for the proper care of all university equipment and all music folders. An administrative hold will be placed on your grades/transcripts unless all university property is returned promptly at the end of the season in good condition.

## Attendance

Members are expected to attend all rehearsals. Member attendance is greatly needed at all games. Realistically speaking, however, occasional schedule conflicts occur with a game. If this happens, please contact a member of your section to see if a replacement player can be found for that game. Keeping good communication within sections allows for properly balanced instrumentation at each game.

\*Whether or not a replacement player is available, **please CONTACT Prof. Hansen** ahead of time if you must miss a game or rehearsal.

## Tournament Travel

Members will be selected for tournament travel based on attendance & participation, instrumentation needs, and length of membership in the Phoenix Pep Band. *Note: Tournament travel performances do not count toward credit for the course.*

## University Policy Regarding Disability:

As required by federal law and UW-Green Bay policy for Individuals with Disabilities, students with a documented disability who need accommodations must contact the Disability Services Office at 465-2841. Reasonable accommodations can be made unless they alter the essential components of the class. Contact the instructor and Disability Services Coordinator in a timely manner to formulate alternative arrangements.
