OTHER COMMENTS

Any other information we should consider:

To the best of my knowledge, the above information is true and correct. I realize that intentional falsification of statements on this application will subject me to being disqualified as an applicant and if selected, to likely dismissal. In order to participate in the selection process, applicants must be able to meet the requirements for the position (see position description). I understand that participation for internship credit is contingent upon the following: 1) an agreement between the student and their academic advisor; 2) selection for an internship position by the Phlash TV leadership team including approval by the Phlash TV advisor who serves as the internship field supervisor; 3) fulfillment of specific position requirements (as outlined in the position description and staff manual) for the entire academic term. I also understand that for all non-credit positions, Phlash TV has an open, non-discriminatory membership policy as stated in its bylaws.
