Our workshops are designed for people who supervise others. The concepts and skills taught are also relevant to all who work with people in a team environment.

Whether you own your own business, or work in an office, at an agency, in a health care facility, or manufacturing plant, you will find the seminars applicable in your environment.

**Instructor — Tim Pflieger**

Tim Pflieger is an experienced trainer, facilitator and keynote speaker who has been inspiring corporate groups, professional and collegiate sports teams and youth groups for over a decade. He has served as a training and organizational development resource for corporations large and small. Tim has an innate gift for understanding what makes people tick and how to encourage individuals and groups to move beyond their comfort zones to maximize their potential.

**Small Business Development Center**

The Wisconsin Small Business Development Center (SBDC) at UW-Green Bay is your local business resource. We have helped thousands of entrepreneurs in the New North successfully start or grow their business. The SBDC offers a full range of business management and workforce development training programs for both established businesses and start-up companies. Business advisors teach business owners and managers about best business practices, sharing information and expertise that facilitate changes. There is no charge for many of these confidential services.
