  - x. Lisa DeLeeuw received a request from the Leadership and Involvement Committee to create a brief summary for each AS Committee that can be posted to the web and that can be used to provide descriptive information to anyone considering running for a seat on a committee. Lisa asked that each liaison on the ASC write a description of their respective committees and submit it to her no later than February 10. Lisa will respond to the L&I Committee to let them know what we are doing.
- b. Provost Update:
- i. Budget: Dr. Laatsch has been involved in two audio conferences with UW System on the budget. No new news to share, but work continues. The projected announcement for the state budget is February 10.
  - ii. The Provost Search is in process and the Chancellor needs two names from the ASC as recommendations to serve on the search committee. These names have been identified.
  - iii. An alliance is being created with UW-Marinette to make transfer from that campus to UWGB more streamlined for specific programs. More on this as it develops.
  - iv. Class Schedules: The Provost indicated that he is interested in having the campus produce a schedule of classes that projects out at least two years in order to allow students and prospective students the opportunity to plan their schedules further ahead. Katrina Hrivnak indicated that this could be done, especially in light of the SIS upgrade taking place in July.
