 - Target roll out date for the survey is mid-September.
- The Academic Staff Committee would like to publicly send some “love” to the Wellness Committee for all their awesomeness. An email kudos and LOG kudos will be forthcoming.
- Communication has taken place with the Leadership & Involvement Committee in regards to improvements for new academic staff orientation.
 - Ideas suggested included campus tours for new staff
 - Scavenger Hunt
- A question was brought up as to what the University is doing in regards to moral issues on campus. We were informed the CWC has a report on the SOFAS website. The question was then brought up as to what is being done to take action on these items.
 - We identified, among many things, that their needs to be more tools available to help supervisors improve moral within their departments.
