1. Call to Order by Chair at 12:31

2. Approve minutes of October 3, 2006 meeting → Approved with minor corrections

3. Information Exchange with the Provost → The Provost shared information about a recent conflict management conference she attended with Paula. Both agreed it was a very useful experience and the Provost commented she will order a number of books that address this issue to share with interested staff. The Provost requested that the Academic Staff Personnel Committee select members to serve on a combined faculty and academic staff hearing body. Four members from the AS Personnel Committee and three faculty members from the Committee of Rights and Responsibilities will hear a termination for cause appeal.

4. New Business

   A. Statement of Support for the Growth Agenda → The committee agreed that it is important to distinguish the campus growth agenda from the larger UW System Growth Agenda. The committee will consider writing a letter of support for the growth agenda and drafting a resolution. Paula will determine if the Academic Staff Assembly would be required to vote on the resolution.

   B. Professional Development Fund Guidelines → It was discovered that staff can use personal funds to pay for up to half of the cost of a professional development opportunity. It had been the impression of many on campus that staff could not use their own money for the matching funds. The Professional Development Allocation committee will be contacted to issue a statement of clarification.

   C. 2005-2006 End of the Year Reports → In their end of the year report the Professional Development Committee recommended that academic staff consider the possibility of have two longer, half day, professional development opportunities instead of the usual 4-5 shorter opportunities. The ASC agreed that the shorter venues allow for more people to attend. If longer programs are scheduled it would need to be at off semester times. More input will be solicited.

   D. Academic Staff Leadership Conference 2007 → Sherri will take the lead on organizing a UW-Green Bay contingent to attend the Academic Staff Leadership Conference. The committee was encouraged to solicit possible candidates for this event to be held June 28th and June 29th at UW Superior.
