Briefly explain any Student Government or leadership experience you have, if any.

Last year (2010-2011)

Please state any other information you think is relevant for your application.

I like to make things happen & I think next year will be a great year

What ideas do you have to get students more involved in Student Senate?

Put the idea out there & have SGA get into more things & put our name on more things

Who or what got you interested in Student Government?

I was in it my freshman year & loved it.

Michael Hengels

Please give a brief statement as to why you want to join Student Senate.

I want to contribute to the campus community beyond just attending classes.

What strengths do you feel you can bring to Student Senate?

My own diversity of interests, which encompass more than my own field of study. Previous experience in both student and real-world politics, and my own curiosity and enthusiasm.

What issues, if any would you like to see addressed in Student Senate?

Efforts to address the physical and cultural gap between the campus and rest of the city.

Briefly explain any Student Government or leadership experience you have, if any.

At my previous school, UW-Fox Valley, I was Vice President of the Student Association. I was also a student member of the curriculum committee

Please state any other information you think is relevant for your application.

As a transfer student, I'd like to find ways to better integrate transfer students into campus community.

What ideas do you have to get students more involved in Student Senate?

I think that if students are offered enough opportunities to get involved in student orgs and activities, the school will benefit even if they don't join the SGA.

Who or what got you interested in Student Government?

I feel I left UW-Fox better than when I started. I'd like to be able to say the same for UW-GB.

Jeff Huebner

Please give a brief statement as to why you want to join Student Senate.

I want to have an influence in the climate of the campus

What strengths do you feel you can bring to Student Senate?

Passion to understand and act on problems facing

Lack of student involvement in SGA

Briefly explain any Student Government or leadership experience you have, if any.

Current student senator

Please state any other information you think is relevant for your application.

What ideas do you have to get students more involved in Student Senate?

Promote the what the SGA really does

Who or what got you interested in Student Government?

Riley Peterson

Heba Mohammad

Please give a brief statement as to why you want to join Student Senate.

I want to know what's going on with our school and its students. I like to be informed and have a say in issues that will affect our campus.

What strengths do you feel you can bring to Student Senate?

I'm enthusiastic about almost everything, and I can bring a unique perspective to SGA

What issues, if any would you like to see addressed in Student Senate?

There aren't any specific issues that I'm concerned about at the moment, but, as I said above, I like to be informed about the issues on campus.

Briefly explain any Student Government or leadership experience you have, if any.

I was an officer in many high school organizations. These included Vice President of National Honor Society and Vice President of German National Honor Society. These jobs required me to plan events such as a charity collection to help needy, local families.

Please state any other information you think is relevant for your application.

I would like to, and plan on running for, the position of the President of the United States. I feel like becoming a Senator and a part of SGA will be a good starting point for me and my goal.

What ideas do you have to get students more involved in Student Senate?

I would try to get the word out more about the issues that SGA deals with because if students know what they can have a say in, they'll be more likely to join. This can be accomplished by using crazy antics, something I'm all for.

Who or what got you interested in Student Government?

I heard about it first from Andy at FOCUS, and later on a friend invited me to a meeting.

Kong Moua

Please give a brief statement as to why you want to join Student Senate.

I've never been a part of many organization or clubs and I think the Student Senate would be a great place for me to start.

What strengths do you feel you can bring to Student Senate?

I'm open minded, a good listener, and I can come up with ideas my own. I work well with others, I understand that everyone has their own ideas.

What issues, if any would you like to see addressed in Student Senate?

As of right now, I don't have any issues, but I'm willing to hear about any that concerns the school or student body.

Briefly explain any Student Government or leadership experience you have, if any.

None

Please state any other information you think is relevant for your application.

Good listener, open minded, I respect other's opinions, I'm interested in new things and meeting new people

What ideas do you have to get students more involved in Student Senate?

Advertising it more, maybe some SGA members could go out and talk to students about it

Who or what got you interested in Student Government?

Riley Peterson and Jeff Huebner were the ones who got me interested
