Students are well supervised throughout the day and evening. Counselor-to-student ratio is extremely low. All counselors are subject to background checks. In addition, counselors in charge of administering medications are First Responder trained and certified. All staff undergo extensive counselor training. Most counselors have several summers of counseling experience with our programs.

The Health and Counseling Center is available to students 8:30 a.m. to 4 p.m. Monday through Friday. In emergencies or in the evenings, students will be taken directly to Urgent Care at St. Vincent Hospital. All students must submit a signed health form prior to arrival. A physical exam is not required for non-athletic programs.

The University Union houses the Nicolet Dining Room which provides nutritious and tasty meals in a cafeteria-style setting. Vegetarian choices are available at every meal. Snacks can be purchased in vending machines around campus or at the Union’s Corner Store.

The University Housing complex offers modern, comfortable dormitory facilities. Rooms house two students and include a private bathroom with shower. Students are placed with a roommate of the same gender and age group; we will honor one request for a specific roommate. Counselors are on duty each day from 3:15 p.m. until 8:30 a.m. the following morning.
