

Dining Point Conversion Request

Dining Point balances are non-refundable and must be used by the end of the academic year (May 31). However, students on a dining plan will have the opportunity to convert any Dining Point balance over \$25, but not exceeding \$100, of remaining Dining Points to Pass Points during the last 7 days of the spring semester. The converted Pass Points will remain available to the student throughout their college career at UW-Green Bay. Any remaining Dining Point balance on May 31 will become property of UW-Green Bay.

Fill in the information below and return to the University Ticketing and Information Center.

Allow 48 hours for the conversion to occur. This option is only available during the last 7 days of the spring semester.

Please note: Students transferring, graduating or leaving UW-Green Bay at the end of the fall semester can transfer up-to \$50.00 of Dining Points to Pass Points.
