## FOOD AND BEVERAGE POLICY

All food and beverages served in the Union must be purchased from University Dining Service. For any exception to this policy, a Food Waiver Request Form (see University Dining Services Food Waiver Request Form) must be completed and signed by the Director of University Dining Services and the Campus Contract Administrator.

Individuals are permitted to consume "brown-bag" lunches in the Union. Although, during summer sessions, brown-bag lunches are *not* permitted in the Nicolet Room. Brown-bag lunch meetings are permitted *if* the meeting is an officially recognized university group. A "brown-bag lunch" is defined as a lunch that is solely consumed by the person who brought the lunch. Under no circumstances can catering of food and beverages be allowed in the Union by an off-campus vendor or individual.
