## PLAZA USE

A landscaped, brick-paved plaza area is located outside of the Phoenix Rooms. This plaza is accessed from the Phoenix Rooms and/or a pedestrian walkway. There is fixed tables and seating within the area, and is surrounded by a fence-like sculpture.

The plaza is open for general use when weather permits, but can also be reserved for events during the appropriate seasons.

The plaza can only be reserved in conjunction with the Phoenix Rooms so as not to cause usage conflicts between the indoor and outdoor spaces. There is not a separate rental fee for the plaza but the appropriate Phoenix Room rental fee would apply. Reserved use of the plaza is not encouraged during the academic year daytime periods when the space is frequently used for studying, casual dining, and socializing.

If alcohol service is approved as part of a catered event using the plaza, the alcohol cannot be carried beyond the perimeters of the plaza or the Phoenix rooms to be consistent with the Alcohol Policy.
