Training

Our 75 student employees

At the beginning of every school year we have a 4 day training session.

Union Policy

Learn what the University Union is all about and the expectations of it’s student employees on the job.

Perceptions & Reality

Compare how people see the University Union vs what we actually do!

Safety

Learn all the safety hazards that could occur in the work place.

Specific Area Training

Learn the specific skills that will be needed for your position in the University Union!

Team Building

Get to know your coworkers and meet other student employees in the Union! It is always a blast!
