Application for Admission

UW-Green Bay Adult Degree Programs

General Instructions

Complete both sides of the application, paying special attention to sections 12, 17, and 19:

- For Section 12 list ALL schools attended since high school, including UW-Green Bay. Failure to list all schools could prevent admission.
- For Section 17 provide parent information requested even though you are an adult student. This information is only used to establish WI residency status for your instructional costs.

Write a brief (one page) cover sheet introducing yourself and focusing on your reasons for attending college. Please include the following information (if applicable):

- Current level of job or community responsibilities that could demonstrate your ability to be a successful student
- Career goals
- Work experiences
- Family obligations
- Reasons why your previous educational records do not reflect your current abilities

This is your chance to explain why the student you were yesterday is not the same person you are today!
