The Experience
As UW-Green Bay Art Camps celebrate 58 years of art education for middle and high school students, you will be impressed by your teachers who will bring the art out of you. You will be in classrooms with students who love art just like you do. Whether you are just beginning to hone your artistic ability, or you are well on your way to becoming an artist, you will be in the right place at UW-Green Bay. All of the students who attend are dedicated to working hard on their art, trying new things and developing their skills as artists. If you love art, this is the place to be this summer!

Curriculum

Middle School Students: You will select four class options and will be assigned to your top two available choices. Each class is morning or afternoon, allowing you to work in two different classes during the camp. This will allow less intensity in each area, but more time to explore other art areas.

High School Students: You will be enrolled for one course during the week, allowing you to focus on one art genre. You will also interact with other students through informal gatherings, critiques, lecture presentations and impromptu exhibitions.

Schedule

Daily classes are 8:30 a.m. to 4 p.m. in the Studio Arts building. On Friday of each week students and parents will attend the student art show from 3 to 4 p.m. The award ceremony is 4 - 4:30 p.m.

Housing students will check in on Sunday afternoon (June 12 for middle school, June 19 for high school). More details will be provided in your acceptance materials.

Student Art Show - Lawton Gallery

Student artwork will be displayed in a public group exhibition in the Lawton Gallery from 3 to 4 p.m. on the last day of camp. Scholarship awards to attend next year’s camp are determined by the Summer Art Studio faculty and will be presented at this time.

Faculty

You will love our art staff! The diverse and energetic faculty are all talented teachers and artists. All have unique and individualized styles in their art as well as their teaching. All are committed to providing an intense learning experience emphasizing individual attention, personal growth and development of conceptual and technical skills.

Art Studio Faculty

- Cristian Andersson - Acrylic Painting
- Ahliyah Brazeau - Fashion Design
- Dean Hoegger - Ceramics
- Tricia Matthew - Watercolor
- Lindsey Przybyski - Photography
- Judy Sarasin - Wildlife Illustration
- Beau Thomas - Graffiti
- Tom Wallestad - Cartooning/Animation

Materials

Some materials are included in the registration fee. Along with your confirmation packet, you will receive a list of supplies and materials needed for your specific classes. All courses emphasize safety; any course requiring the use of tools will provide instruction on their use.

Scholarships

More than half of Summer Art Studio students receive full or partial scholarships from parent groups, school clubs, and civic and service organizations. Be sure to contact your art teacher or local organizations directly for scholarship info.

The Wisconsin Department of Public Instruction (DPI) offers some scholarships for students with financial need. Scholarships are given on a first-come, first-served basis, subject to eligibility. Application forms are available at www.uwgbsummercamps.com.

Arda Ishkhanian Scholarship:

Just for art campers: students may apply before May 20, 2016. Info online at: www.uwgbsummercamps.com.

Register online: www.uwgbsummercamps.com
Eligibility

Students entering grades 6-9 in Fall, 2016 are eligible for the middle school session; students entering grades 8-12 are eligible for the high school session. See grade and skill requirements for the specific classes. All students MUST be recommended by a parent or guardian AND a school art teacher. Signatures are not required if the student is attending on a school scholarship or registering online. Students must be at least age 12 to live on campus.

Fees

• Middle and High School Commuter Students: $319 Monday - Friday. Includes instruction, camp t-shirt and lunch.

• Middle and High School Resident Students: $589 Sunday - Friday. Includes instruction, room and board for five nights, camp t-shirt, counselor supervision and transportation to evening activities.

How To Register - Register Online!

Visit our website at www.uwgbsummercamps.com, and click on the button marked “To Register.” If you prefer, you may complete the registration form on the inside panel and mail it to us. You will receive confirmation materials once your application is accepted.

NOTE: Pre-registration is required for all camps!

1. Register online at www.uwgbsummercamps.com or complete the enclosed registration form.

2. All registration forms, including payment, must be received in our office AT LEAST 14 days prior to the start of your child’s camp.

3. Please Note: Register early. Some class sizes are limited. All courses are filled first-come, first-served based on payment received. Please check our website for availability of classes. Wait lists will be held for popular classes.

Cancellation Policy

In the event a student must cancel, the request for refund must be received in writing by the UWGB Camps Office no later than three weeks prior to the start of the camp, in order to receive a full refund. Requests received after that date, incur a loss of the $100 application fee. No refunds will be made once the camp has started, including for reasons such as homesickness or for disciplinary issues.

We reserve the right to cancel any camp due to low enrollment; in such a case, all fees paid will be refunded or the student can choose to apply fees to a different camp in the same year.

For More Information

Call 920-465-CAMP (2267) outside Green Bay, or visit our website at: www.uwgbsummercamps.com

The UW-Green Bay Advantage

The health and safety of every camper is our first priority. The UW-Green Bay Summer Camps are licensed by the state of Wisconsin Department of Health and Family Services licensure for Camps and Recreational programs. Students are supervised after instructional hours by a team of trained camp staff. Medical staff are on duty around the clock. With student/staff ratios of 10:1, students experience instruction during the day from experts in the field, and participate in an array of planned, supervised and fun evening activities. Parents and students appreciate the UWGB advantage. UW-Green Bay is the place to be this summer!
Abstract Exploration with Acrylics
Past and present techniques collide as artists explore the realms of realism and abstraction with artist/instructor Cristian Andersson. From Super-Realism to Non-Objective, our subject matter will be as vast as the artist’s ambitions, with limitless possibilities. Creativity, exploration, and a fun and friendly environment awaits! Lab Fee: $5

Cartooning and Comic Book Illustration
With instructor Tom Wallestad, you will learn basic cartooning drawing skills, the foundations of penciling, inking, coloring and transferring techniques. Explore the unique story-telling language of comics and graphic novels and apply what you learn to your development as a cartoonist. This class fills early! Lab Fee: $10

Explorations in Watercolor
Watercolor, like a puddle of water, invites us to splish and splash! Campers will enjoy splashing in juicy puddles of transparent paint as we explore the free flowing nature of watercolor. By experimenting with the textures created by different types of salt, sea sponges, plastic wrap, bubble wrap, and a variety of other materials, campers will create beautiful, vibrant, and imaginative paintings. Working with instructor, Tricia Matthew, campers will also learn about color theory, how to work with flat and round brushes, the basics of the watercolor wash, and composition. Lab fee: $35

Fine Art Digital Photography
It is often said that the best camera is the one you have with you - making great photographs is not about the cost of your camera, but your ability to visualize, compose, and capture a great photograph. Under the guidance of Lindsey Przybylski, you will explore what makes a great fine art photograph, including lighting, shutter speed, and basic photo editing techniques.

PLEASE NOTE: This workshop does not include darkroom work. Please provide your own camera and removable memory card. Lab fee: $25

Walk on the Wild Side: Wildlife Illustration
Join drawing instructor Judy Sarasin and go on a wildlife adventure. Capture wonderful creatures of the wild with pencil, colored pencil, and oil pastels. You will have fun translating what you see onto paper, acquire shading techniques, and learn to combine colored pencil with other media. You will feel a sense of accomplishment and pride in your uniquely appealing drawings. Lab Fee: $10

Fabulous Fashion and Fabric Design
New this year, you will be hand painting, dyeing, and even spray-painting your own fabric design! Once completed, you will be using your amazing fabric to create a wearable work of art to rock our runway. Under the guidance of the fabulous Ahliyah Brazeau you will learn the basics of sewing as they help you bring your designs to life. Your project(s) may take many forms including simple pants, shirts, and handbags. Bring your best ideas, because you can cut, dye, sew, embellish, or paint your designs in many unique ways! Lab Fee: $15

Graffiti
Unravel the complex world of graffiti art with instructor Beau Thomas! Learn about graffiti history, different styles of graffiti, and watch live demonstrations. This course covers a wide range of topics, from early days of subway graffiti to the amazing evolution of the present-day graffiti movement. Campers will use what they learn to develop their own style and paint a graffiti mural. Lab Fee $50.

June 12-17, 2016
For students entering grades 6-9
Abstract Exploration with Acrylics
Past and present techniques collide as artists explore the realms of realism and abstraction with artist/instructor Cristian Andersson. From Super-Realism to Non-Objective, our subject matter will be as vast as the artist’s ambitions, with limitless possibilities. Creativity, exploration, and a fun and friendly environment awaits! Lab Fee: $5

Ceramics: Using the Potter’s Wheel and Advanced Hand-Building Techniques in Raku Firing
Learn the secrets of throwing on the potter’s wheel from professional ceramicist, Dean Hoegger. Create advanced forms such as lidded vessels, section pots, and altered wheel-thrown pieces as you learn the wheel-throwing process and hand building methods to create larger pots and sculptural forms. Raku firing, the use of fire and smoke to achieve dramatic glazing effects, will inspire you as you become part of this time-honored tradition. Lab fee: $20

Computer Animation
Have fun breathing new life into your drawings during this character animation course led by instructor Tom Wallestad. Learn traditional animation theory, principles and techniques and apply them through the powerful Flash computer program. Each student will explore character development, invent a storyline and create cartoon-animated shorts. Register early, seating in the lab is limited. Lab fee: $20

Drawing Selfies: Experimental Self-Portraits
In this unique class, you will build important drawing skills and expand your repertoire of experimental methods while creating “Selfies.” This class will inspire you with new ways to make marks, investigate proportions, and use value in your drawings. From stamped symbol portraits to pentimenti drawing techniques, this class will take the concept of a “Selfie” to a whole new level! Instructor TBD. Lab Fee: $15

Explorations in Watercolor
Using artist-grade paints and paper, campers will explore the spontaneous qualities of watercolor and create vibrant paintings using a variety of techniques with instructor, Tricia Matthew. While learning the basic types of washes, campers will explore methods for creating texture, ways to preserve white space with different kinds of resists, and how to use positive and negative space to give the illusion of depth. Lab fee: $35

Photography in Black and White
With artist instructor Lindsey Przybylski you will learn all aspects of the fine art of black and white 35 mm photography. You will be exposed to an array of methods including learning how to take studio and outside shots and use dramatic lighting effects. Finally, in a state-of-the-art darkroom, you will learn how to develop and print your own work.

Returning photography campers are encouraged to join us for another year! New challenges await you as Ms. Przybylski customizes your camp experience.

PLEASE NOTE: Bring a 35 mm SLR camera with a camera manual (if possible). No Digital Cameras! Lab fee: $60.

Trashion/Fashion
Is it refuse or Ralph Lauren? You’d never know with the new influence of trashion in fashion! After a fun journey to a local thrift shop, you will be ready to create your own designer duds under the tutelage of Ahliah Brazeau. You may create your own patterns, hand and machine sew them, fashioning completely original haute couture. Alternately, you may focus on trashion and upcycle unique objects into a wearable work of art. All creations will make their debut on the runway during our Friday exhibition. Please bring $10 for the field trip to the thrift store. Lab fee: $15

Graffiti
Unravel the complex world of graffiti art with instructor Beau Thomas! Learn about graffiti history, different styles of graffiti, and watch live demonstrations. This course covers a wide range of topics, from early days of subway graffiti to the amazing evolution of the present-day graffiti movement. Campers will use what they learn to develop their own style and paint a graffiti mural. Lab fee $50.
