NCAA CERTIFICATION
GOVERNANCE & COMMITMENT TO RULES COMPLIANCE SUBCOMMITTEE
Student-Athlete Meeting

Date: Thursday, November 9, 2006
Time: 12:30pm – 12:50pm
Present: Ken Bothof, AD
Dan Rohrer, Assistant AD
Joshua Okoampa, Men’s Soccer student-athlete

- Since Josh is the student-athlete representative on the Governance & Commitment to Rules Compliance Subcommittee, the objective of the meeting is to get a student-athlete’s perspective on the NCAA Certification document as it currently stands, item-by-item
  
  o 1.1.3 – Josh will look at two things for the meeting on Tuesday, November 14:
    ▪ Whether the Mission Statement appears on the UWGB athletics website
    ▪ Whether pertinent information for student-athletes (and other groups) is available and easy to find on the UWGB athletics website

  o 1.1.6 – Josh brought up a good idea that a student-athlete (possibly from SAAC) should serve on the search & screen committees when coaches and/or athletic administrators are hired
    ▪ Ken & Dan both thought it was a great idea and could possibly be included in the “plans for improvement” section

  o 1.1.6 – Dan will add some specific information to the SAAC paragraph regarding the new focus of SAAC this year (sounding board for athletics as a whole)

  o 1.2.9 – Josh suggested that we include information on the Freshman Workshops in the “Student-Athletes” paragraph regarding rules compliance education, as they are very helpful in his opinion
