Eric Fischer

“My goal as a Senator is to increase the sense of Phoenix pride because there are a lot of good things happening at this University and continue the rise of UWGB.”

Full Name: **Eric D. Fischer**
Major/Minor: **Communication**
Year in School: **Sophomore**
Extra Curricula Involvements: **SGA, intramurals, Cru, PRSSA**

Campaign Platform
- My campaign issues are bringing students into campus and keeping them here, while invoking a sense of Phoenix pride and making this university a place to stay. I know the enrollment is going down and a good number of people transfer. My goal is to make this campus a place to be. Things like increased weekend programming, social media expansion, and more effective marketing will help in these efforts. I also want to increase the transparency of Student Government to the general student body.
