

Nursing | 2016-2017 Assessment Report

1. Please give a brief overview of the assessment data you collected this year.

The RN-BSN Nursing Program focused its review on Program Outcome 5 again this year. Student performance was satisfactory.

Data collected includes:

Course	Program Outcome 5: Healthcare Finance and Policy	Student Group and Assessment Methods	Results
NURS 407	✓	Spring 2017 NURS 407 Section 1- Theory and economics lesson; Final exam questions related to Finance/Economics	Student performance on the all but one exam question indicates satisfactory performance (47.8 to 95% correct).
NURS 455	✓	Spring 2017 NURS 455 Section 1- Public health finance Assignment, Legal Regulatory Journal	Finance Assignment Average score: 86.1 % of students with 80% or higher: 63 .6% Legal Regulatory Journal Average score 97.3 % of students with an 80% or greater: 100%
NURS 447	✓	Spring 2017 NURS 447 Section 1- Change project part 2	The Change Project is now called the Quality Improvement Project: Average Score: 94% % if students with an 80% or greater: 96%
NURS 490	✓	Spring 2017 NURS 490 Section 1- Health Policy Paper, Disease management paper part 3	Health Policy Paper (15 points possible) Average Score: 14.65 % if students with an 80% or greater: 100% Disease Management Paper-Part 3- (12 points possible) Average Score: 11.58 % if students with an 80% or greater: 90%

2. How will you use what you've learned from the data that was collected?

Changes in the program that resulted from the program assessment includes:

- Enhanced content and test questions in the areas of health policy and economics in the Foundations of Professional Nursing Practice (N407).
- We will continue to monitor student performance in the area of healthcare finance and policy.
