Merit	5 Strongly agree	4 Agree	3 Neutral	2 Disagree	1 Strongly disagree
Proposal articulates a clear project that is directed at improving teaching and/or developing innovative teaching strategies.					
The project has the potential to directly impact the applicant's teaching talents, methods, and/or abilities. (A focus on pedagogy, not improving course content.)					
The project has the potential to have a significant, broad and positive impact at the program, College or institutional-level.
