

Bringing Hope to  
Those Affected by Suicide

Northeast Wisconsin

# Suicide Prevention Summit

Thursday, October 24, 2019

9 a.m. - 4 p.m.

Liberty Hall, Kimberly, Wisconsin

This summit is designed to bring hope to those impacted by suicide by increasing their understanding of suicide and its prevalence, identifying the risk factors for specific populations and finding better ways to reach those who are suffering.

## Keynote Speaker

### "Palette of Grief® After a Suicide"

Barbara Rubel, MA, BCETS, DAAETS

Barbara, a nationally recognized author and speaker on suicide-loss bereavement and building community resilience, will present "Palette of Grief® After a Suicide." Barbara holds a BS in Psychology and a MA in Community Health from Brooklyn College. She is a Certified Bereavement Specialist and Board-Certified Expert in Traumatic Stress. She is featured in the Emmy Award-winning documentary, *Fatal Mistakes*.

## Breakout Session topics include:

Crisis Intervention,  
Brainspotting, Youth  
and Military Suicide  
Prevention and more.
