Graduate Student Graduation Survey: 2021-2022

In August 2021, December 2021, January 2022 and May 2022, 174 students received master's and doctorate degrees from UWGB. We surveyed all students eligible to graduate in those terms. We received 80 completed questionnaires (46 percent). Students are sent several emails throughout each semester (for which they are graduating) and are invited to complete the survey then.
