One cardboard box, approximately size 10 inches x 7.5 inches, height at least 1.5 inches (a shoe box works well) Note: presenter has several boxes available in case you don't have one.

Roll of duct tape (also known as "duck tape") - a decorative type might be fun, but is not necessary.

Box cutter and/or sturdy scissors for cutting flaps off the box.

Please bring your hot glue gun, if you have one. The presenter will have one available, but it would help to have a few more.

All other supplies will be provided.
