CHANGES IN VOTER REGISTRATION WITH ONLINE VOTER REGISTRATION (OVR)

Removes role of Special Registration Deputies. We assist with voter registration but can no longer sign paper form EL-131 for proof of residence.

Proof of residence is either the DMV or a paper copy of proof of residence attached to EL-131.

We can assist any voter in the state. We are no longer bound by areas of certification.

OVR only available during open registration.

More Information

New MyVote Site!

Eligible Wisconsin Voters who have a current and valid Wisconsin Driver License or Wisconsin State ID Card can now register completely online! If your name, date of birth, Wisconsin Driver License or State ID number, and address all match the information on file with the Wisconsin DMV, you will no longer need to mail or deliver your registration form!

If your information is current with Wisconsin DMV, you can start a new voter registration, update the name on your voter registration, or update your address for voting purposes. If your information with Wisconsin DMV is not current, you will first need to update your information with the Wisconsin DMV before you register to vote online. You can update your address online with Wisconsin DMV at <http://wisconsin.gov/Pages/online-srvcs/change-addy/default.aspx>. If you need to update your name with the Wisconsin DMV, you will need to appear in-person at a Wisconsin DMV office. Learn more about updating your name here <http://wisconsin.gov/Pages/dmv/license-drvs/rnew-and-chge/name-change.aspx>

If we are unable to match your voter information with Wisconsin DMV, or if you do not have a current Wisconsin Driver License or Wisconsin State ID card you will still be able to use MyVote to start your voter registration. You will be able to complete your registration form on this site, then you will then need to print, sign, and mail or deliver your form to your municipal clerk along with a proof of residence document. Detailed instructions on completing this process will be provided.

[Get started with your Wisconsin voter registration here!](http://www.gab.wi.gov/node/3974)

For more information about the redesign of this website and for detailed information on registering online, such as a user manual, please visit the agency website at:

To view the user manual by the WEC for registering online, go to:

How does MyVote work?

- *Voter initiates registration through MyVote.Wi. Gov

- *MyVote sends a confirmation request to DOT

- *DOT confirms information and provides proof of residence.

- *MyVote sends registration to WisVote

- *Voter record is now created in WisVote; the voter is registered.

In order for OVR to create a voter record in the Wisvote database

- ❖ Name on the license/ID must match name at the DOT
- ❖ Address on the license/ID must match address at the DOT
- ❖ Date of birth on the license/ID must match the date of birth at the DOT
- ❖ Driver license or Wisconsin ID number must match record at the DOT

Five Questions to ask when registering online

1. Are you an 18 year old U.S. citizen?
2. Do you have a valid Wisconsin driver license or state-issued ID?
3. Is your name current?
4. Do you have your license/ID card with you?
5. Is your address current?

1. Are you 18 years old and a citizen?

If you are 17 but will be 18 by the next election, you may register, but must do so on the EL-131 form and send it in to your clerk with a copy of your proof of residence. OVR does not work if you register on your 18th birthday. Only U.S. citizens may vote.

2. Do you have a valid Wisconsin driver license or state-issued ID?

If no, you must register using the EL-131 form and send it into your clerk with a copy of your proof of residence.

4. Is your name current?

If not, you will need to update your name in person at the Social Security Administration, then at the DMV, also in person. Then you may proceed to [MYVOTE.WI.GOV](https://myvote.wi.gov) to register online to vote.

3. Do you have your license/ID card with you?

If you know your social security number, you can go to [wisconsin.gov](https://www.wisconsin.gov/dmv) to retrieve your driver license number and expiration date. Go to "DMV Online Services".
