**2406 South Alverno Road**  
**Manitowoc, WI**

Once you turn off of Highway 151 onto Alverno Road, you will see the Holy Family College/Holy Family Convent campus. Go past the college which is on the right and head up the hill toward the convent which is on the left. You will have four parking options. Choose what's best for you.

**Option #1:** Take the first left turn by the convent sign and park in the large lot in front of the convent. There will be outside steps to climb to get to the main entrance.

**Option #2:** For those who can do some steps but not lots, instead of turning into the first driveway on the left, go up to the second driveway and there will be about 10 parking spaces available. Then, it's a short, flat walk to the steps leading up to the front entrance to the convent.

**Option #3:** Park in the St. Joseph Church parking lot which is easy to see on top of the hill. Walk over to the convent entrance as in option #2.

**Option #4:** For those who need an elevator and cannot do steps, follow the driveway around to the back of the convent. This is called the court and it has an oval-shaped driveway. There is one designated handicapped place for a car to park at the north end of the court. There is a door near the parking space also labeled "handicapped" for people to enter. Go inside, use the ramp, turn left and the elevator is down the hall. Go to the first floor. Turn left and that's where we will meet which is room 108. Wahoo! You made it!

People should be dropped off at the back entrance and enter the convent while drivers park elsewhere with the options listed above. There are parking spaces available near the barn but those are reserved for employees coming to work at 2p.m.

We will do all that we can to help visitors navigate the convent grounds. Once you get there, you will see that it's not complicated at all. We look forward to sharing this wonderful tour with you!
