

# Local Government Education Digital Badges

UW-Green Bay Local Government Education offers a Digital Badge for completing the 2020 Presidential Election Certificate. Badges are a sophisticated way to share verified credentials digitally. Badges demonstrate mastery of skills, acquisition of knowledge and marks of experience in the same way as a diploma represents a degree.

Badges are a quick and easy way to **share verified knowledge and expertise** to employers and colleagues.

Badges empower earners with **24/7 digital access** on resumes, websites, social media and email signatures.

Badges provide a **competitive edge** and a way to differentiate from other candidates.

## What's Inside

Each badge is embedded with evidence of where, when, how and why it was earned, which allows the badges to serve as 100% authenticated digital certificates.
